To

MABELLE N. CHASE

whose untiring efforts for the past thirty-six years have helped to create a finer Everett High School, we, the class of nineteen hundred and twenty-eight, affectionately dedicate this volume of the Everett High School Memories.

MABELLE N. CHASE
Mabelle N. Chase.

Graduation for many of you marks the end of formal school life; but your education goes on. It is time for you to heed seriously the sign that is sometimes placed above railway crossings: "Stop! Look! Listen!"

Stop and take account of stock—your equipment, your determination, your moral and physical strength, your attitude toward your fellows, your aims and ambitions. The thoughts you think make the life you lead.

Look out upon the world and see that it is splendid. Always place the good above the evil. See the best in your fellows, not the worst. Let your eyes rest on the sunlit hills, not on the valleys of shadow. The world always swings outward toward the light to him who has the light in his own soul.

Listen to the hum of industry, to the rewards of high endeavor, to the songs of achievement and of praise, to the call of service, for it is your service to mankind that will measure the success of your life.

FRANCES E. HOYT

Miss Hoyt came to Everett in 1894, while a young woman, very near the beginning of her teaching. Thirty-four years, practically her entire life work, have been given to the Everett High School.

During those years, she has seen it grow, from a small school, of few students, and limited curriculum, to a cosmopolitan institution of sixteen hundred students and eighty teachers, and she has had a vital part in its growth.

In her earlier teaching, she conducted classes in French and Science but, during more recent years, has confined her work to French and German.

Thorough mistress of her subjects, she has been as thorough in her teaching, and has given to some thousands of young people a clear insight into the language, life and customs of peoples across the sea.

Her interest in her pupils was never confined by the walls of the class-room but followed them out into their life work.

Former pupils visiting the old school again frequently inquire earnestly for Miss Hoyt and make their way quickly to her room to renew friendships of other days.

So keen is her sense of humor and so quick her repartee that few have been able to cross swords with her in the arena of wit and escape unscathed.

She will be missed alike by pupils and teachers who regret her retirement as earnestly as they unite in wishing her every happiness that may come to her in her rest and recreation.

Loyal friend, able teacher, earnest worker, one of the builders of the school we love, hail and farewell!

FRANCES E. HOYT

CLASS ODE

DREAMS

Could I but dream this world were mine,
Then for each one, I'd build a shrine,
Wherein his hopes would always be,
Blessed ever with fidelity.
I'd rest upon a grassy hill
Unbroken in its quiet still.
And watch the clouds drift slowly by,
Through deepened blue of summer sky.
I'd roam through wood and flowered field
My soul to Nature's beauty yield.
Each softened breeze would tell a tale
From whispering leaf in glen and dale.
Of graceful sylphs with fairy tune,
Dancing by light of silver moon.
Diamonds are brought from meadow's dew,
Their hair to fill and gleam anew.
The morning light dispels the charm,
For frightened sprites all take alarm.
Yet dreams avail the dreamer naught,
And he who dreams hath nothing wrought,
But fancies playing through his mind
Which go as leaves before the wind.

RIDEOUT

HAROLD A. ADAMS
11 HILLSIDE AVE.

Tech Club '27, '28; *Broadcast* '27, '28; *Year Book Staff* '28.

"Harry" is headed for Bentley's. Probably he'll be the future President of the Everett Trust Company, who knows? Good luck, "Harry."

RICHARD E. AHLIN
8 WINSLOW ST.

Treasurer Sigma Kappa Kappa; Football '25, '26, '27, '28; *Captain* '27, *Manager* '28; *Baseball* '26, '27, '28; *Hockey* '27; *Senior Dance Committee* '27, '28.

"Dick," our prize all-round athlete, is a good fellow, and sportsman. He is headed for Andover. Andover is getting one of the best football players that ever donned a uniform for the Crimson and Blue, and we wish him the best of luck.

JAMES H. AKER
14 HENRY ST.

Tech Club '27, '28.

"Jimmie" plays a nice game of basketball, which is his favorite hobby. He is going to enter Northeastern and be one of the many electrical engineers.

JEANNETTE M. AKER
14 HENRY ST.

Spanish Club, Hockey and Basketball '28.

Jeannette is quiet and believes in the saying "Speak little, do much." She is determined to be an office manager, and we wish her luck.

JOSEPH ALPERT
126 FLORENCE ST.

Tennis '27, '28.

A friend to all he meets, a willing helper to all who need him, and an entertaining speaker is our "Joe." He will be quite an addition to Northeastern.

ALICE G. ANDERSON
391 FERRY ST.

Alice delights us with her Swedish stories and they are always welcome. Tell us some more, will you, please?

ALICE V. ANDERSON
21 WEST ST.

Clementonians '27.

"Al" participates in skating, hiking and swimming, so you see she's an all-round girl. You'd make an ideal gym instructor, "Al," so don't sit in an office all day.

MARIE V. ANDERSON
14 FAIRMOUNT ST.

Girls' English Club '28.

"Rie's" ambition is to go to Burdett College and become a private secretary. She always enjoys herself when sailing or riding with a certain party.

ROY B. ANDERSON
237 SPRINGVALE AVE.

Art Club '27, '28.

"Andy's" favorite hobby is gardening. He is headed for a Teacher's College after five years of work—the pluck that always wins.

ISADORE ARON
11 ASHTON ST.

Glee Club '28.

"Sonny," with a voice like Caruso, will sometime be singing for records. Unfortunately he is entering Boston University.

ARTHUR J. BAILEY
113 HIGH ST.

Tech Club '28.

"Art" delights in telling Scotch jokes and making funny faces. He is bound to be successful as he is going to make one of the following: Northeastern, Harvard, Yale, Cornell or West Point.

ESTHER BALTER
148 MAIN ST.

"Iggie" is the gay young lady with the ever-present "giggle." Tell her something funny and you will hear her "tee-hee."

JOHN J. BARRY
37 SWAN ST.

Philomaths '28; *Orchestra* '25.

"Sam's" ambition is to enter Boston University School of Business Administration to be an accountant.

HILDA I. BARTON
45 RAYMOND ST.

School Council '25, '27; *Spanish Club* '26, '28; *Broadcast Staff* '26, '28; *Year Book Staff* '28.

Hilda's motto is "Look to the teachers in Everett High for real friends." She is quite a favorite among them and always on the job.

ROBERT W. BATCHELDER
60 WALNUT ST.

Tech Club '27, '28.

"Batchy" has proved a necessary stage manager when entertainments happen along. We can readily see how well he is going to make out by his successful work at the school this year.

WILLARD G. BEAMAN
1 LOCUST PARK

Philomaths '28.

"Battling" is planning to enter pugnacious activities. He may be seen daily doing his roadwork in his Hudson touring car. He punches the feed bag three rounds a day and has lost three counts.

HENRY E. BERGSTROM
34 CHESTNUT ST.

"Berg." Although his nickname suggests the frigid zone, we trust he is not too cold, for long is the list of his friends and admirers.

JOHN S. BERRY
29 HIGH ST.

Football '27, '28; *Hockey* '27; *Boys' Glee Club* '25, '26, '27, '28; *Girls' Glee Club Play* '28; *Junior Christmas Committee Representative.*

We have "Tubby" down in our books as a stern King and now we are hunting for his queen. We could listen to John sing for hours. We'd love to see you as a Grand Opera singer some future day.

E. Ashley Bickford
147 Glendale St.

Orchestra '27, '28; *Tech Club* '28; *School Council* '27.

"Bicky" is another one of that musical quartette who will be in vaudeville eventually. Ask the girls if he isn't a second "Caruso."

C. Elizabeth Bigley
7 Bucknam St.

"Betty" is a typical modern Miss with a happy disposition and a winsome manner. She'll do secretarial work next year.

Bertha E. Bishop
2 Russell St.

Art Club '26.

"Bebe" holds a spot in everybody's heart. Knowing her good achievements, we shall always remember her with affection.

Harry G. Bishop
42 Greenhalge St.

"Gay" is the comedian of our class, and do we love to have him entertain? I'll say we do! Some day he'll be on the stage with the Class of '28 as his audience.

Harriett E. Boyd
18 Pearl St.

Clementonians '27.

With a jolly good smile and a cheery word, "Boydie" greets everyone. With these attractions we are sure she'll be a comfort to the Home for Aged Folks where she wants to help entertain.

Muriel M. Brodsky
33 Rich St.

"Mickey," the girl with the handsome locks, spends a great deal of time keeping up her dancing. Next year she will try Chandler's, but may make dancing her profession.

FRANK E. BROWN
39 FREMONT AVE.

"Bud" is uncertain as to where he will adjourn after he receives that valuable piece of paper, but we suggest his being an interior decorator. His name, Brown; his sweater, red; his knowledge of English, green.

STANLEY A. BROWN
188 BRADFORD ST.

Tech Club '28.

"Stan" is such a lucky boy being an usher at the Capitol Theatre. Is it any wonder he can keep his dates so accurately? He must get some pointers from the pictures presented.

PAUL J. BURNETT
82 WAVERLY ST.

Philomaths '28.

"Vanilla" has taken a liking for photography and radio, so some day he'll be taking Everett High's class pictures or he will be a big radio man.

GERALD W. BUTLER
16 WARREN ST.

Manager, Basketball '28.

"General" was the efficient manager of our splendid basketball team this year. We hope he will be as efficient an electrical engineer after his study at Northeastern with many of his classmates.

BLANCHE M. BUTTS
48 DARTMOUTH ST.

Girls' Glee Club '28; *Broadcast Secretary* '28.

"Buttsie" has quite an added share of sweetness and dignity. She had been a great help this year and can be sorted out as another good worker from this class.

EDWARD J. CADIGAN
51 LYNN ST.

Lyceum '26.

Edward enjoys spending his spare time in the movies. We think he knows them by heart. Do you, "Ed"?

FRANCES E. CALL
14 JACKSON AVE.

Clementonians '27; Field Hockey.

"Fran" is an expert skater. After she spends the summer in Everett, she is going to Switzerland and try the winter sports there.

JOHN A. CAMERON
29 BELLINGHAM AVE.

Lyceum Play '28; Lyceum '25, '26, '27; Assistant Clerk '28; Junior Prom Committee '27; Senior Dance Committee '28.

We expect John will make a great leading man, as he surely did his stuff in the Lyceum Play. Hollywood will welcome you, so just step out and your career will be a happy one.

S. VIOLA S. CARLSON
9 SUMMIT AVE.

"Vi" is going to tread the path that leads to a private secretaryship and with her perseverance and grit, "success" can't help but walk along her side.

JOSEPH A. CAROLAN, JR.
16 VICTORIA ST.

Tech Club '27, '28; Seavernites '28.

"Joe" says, "First get a car, then choose a moonlight night, and the woman will be the easiest to find." You'll forget such things when you get interested in Northeastern.

GEORGE ERNEST CASANO
131 HARVARD ST.

The boy who is always on the job and ready to help is George. After graduation, may your path lead you straight to success.

JOHN F. CAVANAUGH
11 LEWIS ST.

Tech Club '28; Seavernites '28.

"Cav" wants to be a success. He sees the world through an artist's eyes. Some day Will Rogers will envy him as a humorist.

ANGELINA CENTURINO
26 MANSFIELD ST.

Angelina will probably be some one's secretary unless French affects her before that time.

CELIA C. CERASOLA
30 ADAMS AVE.

When Celia finishes her numerous travels that she has planned, we can picture her in a Spanish Garden as a perfect senorita.

ESTHER F. CHACE
32 HIGH ST.

Vice-President, Girls' English Club '28.

Esther, a quiet, clever girl, is headed for Jackson. She likes sports, so would do well at Sargent.

GIFFORD M. CHAPMAN
5 EMERY ST.

E. H. S. Band '25, '26; *Leader* '27, '28; *Orchestra* '27, '28; *Track* '26, '27; *Tech Club* '27.

Gifford will, no doubt, be the leader of the Symphony some day unless he becomes the world's champion run ner.

HENRY W. CHAPMAN
264 FERRY ST.

Vice-President of Clementonians '27.

Henry is considering taking over Dawes' place as Vice President, but he'll need a large office for his helpers.

R. MILDRED CHAPMAN
19 ELLSWORTH ST.

Girls' Glee Club '27, '28; *Junior Prom Committee* '27.

"Mil's" ambition is to be some "Buddy's" stenographer Her ever-ready smile and pleasing personality will help her to get many places and make him happy.

DONALD L. CHARLTON
134 WALNUT ST.

Year Book Staff '28; *Glee Club* '27, '28.

Northeastern University School of Business Administration will claim "Don" in the Fall. He ought to make good in the business world as he is the quiet, efficient type of person.

ROBERT L. CHURCHILL
44 BAKER ROAD

Lyceum '26, '27, '28; *Prize Speaking* '28; *Hi-Y* '28; *Debating Team* '28; *Year Book Staff* '28.

"Bob's" ambition is to be a lawyer, but with his thrilling deep voice and ability to act he might do equally as well on the stage as on the bench.

MARY CICCOLO
19 WAVERLY ST.

Mary is planning to go to Higgins' Business School. May your life be long and happy with success in every step.

ROSALIE CLAFFEY
788 BROADWAY

Here is a clever young lady who expects to give Walter Hagen a good trimming in the near future. Practice makes perfect, so you ought to be an expert, "Rosie."

HERBERT O. CLARK
97 SWAN ST.

Gentlemen prefer blondes! We wonder if this is so in Herbert's case, he keeps us guessing so much.

ANNA J. CLEARY
92 SWAN ST.

Girls' Glee Club '26, '27; *Publicity Agent* '28; *Secretary of Alpha Gamma Beta* '28; *Senior Play Committee; Junior Prom; Senior Dance Committee; Year Book Staff* '28.

Who is the girl that graces every social affair by her presence? Who is the girl with the charming personality, pep, enthusiasm, and ability to foster every worthwhile activity in our school? It's Anna.

INA S. COCKCROFT
7 ELWOOD ST.

Broadcast '28.

When we meet a girl who's clever
Brighter than we'll ever be,
We stop to pick some flaws in her
And see what we can see.
We talk of this and talk of that.
Look her over, turn her round
The only thing that we can say
Is that her reputation's sound.

NAOMI N. COHEN
535 FERRY ST.

Clementonians '27.

"Shrimp" will join the line of private secretaries very shortly, and a good one she'll make, too. Our wish for you is lots of good luck and happiness.

EDNA B. COLEMAN
38 SYCAMORE ST.

Edna's ambition is to grow tall, perhaps six feet. There never was or will be a harder worker or a more sincere student than she is.

E. THERESA COLLINS
35 SUMMIT AVE.

Theresa's ardent ambition is to cash checks. We wonder if it is deportment checks or working in a bank she means. Perhaps it's both.

EDWARD C. COLLINGS
3 GARLAND WAY

Radio Club '28.

Edward is going to Tech and some sweet day will get his Electrical Engineering degree. May it not be too long, "Ed."

ALFRED L. CONN
37 VERNAL ST.

Football '27, '28; *Senior Play Committee* '28; *Glee Club* '28; *Class Play* '28.

"Al" chooses to run for the position of Official Mattress Tester in the Weary and Sleepy College. You see he is shy and is afraid of girls; at least, *he* says he is.

RUTH C. CONNORS
161 VINE ST.

Spanish Club '26.

"Ruthie" resolves to be demure hereafter; we hope she carries her resolution out.

ANNE V. CONROY
11 FAIRMONT ST.

Reading is Anne's hobby and well she follows it, too! We expect her to break loose with all the material she has picked up, some day, and then watch out!

WILLIAM E. COOPER
152 BUCKNAM ST.

Lyceum '25, '26, '27, '28; *School Council Lieutenant* '28; *Broadcast* '28; *Year Book Staff* '28.

"Bill" is the good-natured lad who tries to make his Ford go sixty. May you ride through Tech with the same popularity and good luck as you have through E. H. S.

ALBERT COPANS
47 IRVING ST.

Lyceum '25, '26, '27; *Boys' Glee Club* '28.

"Al's" destination is Northeastern School of Chemical Engineering. Scientists claim there is no such thing as perpetual motion. However, we have listened to "Al" for the past four years and have reason to doubt the claim.

RUTH W. CORLISS
19 SHERMAN ST.

Uke Club '25; *Spanish Club* '26, '27; *English Club* '28.

Her airs and manners all who see admire,
Courteous though coy, gentle though retired,
The joy of health, her rosy cheeks display,
And warmth of heart, her friendly smiles convey.

JOSEPH CONSENTINO
8 HAZEL PARK

The Massachusetts College of Pharmacy is "Joe's" destination. If he can mix potions as well as he mixes with his friends, his success is assured.

ROSE J. COVINO
41 WAVERLY ST.

Secretary to Mr. Ashley.

Although Rose is quiet and unassuming, she can see the humorous side of life. Her co-operative spirit and willingness to help is excellent. She gave many hours of her time typing for the Year Book.

FRANCIS J. CRANE
24 WESTOVER ST.

Football '26, '27; *Tennis* '28; *President of Spanish Club* '28; *Hockey* '27, '28; *Baseball* '27; *Sigma Kappa Kappa* '28.

"Frank" is headed for the "Big Green." He ought to go big there as well as he did in High School, as he stands well with the "Fellows."

NATHALIE M. CROSS
26 HILLSIDE AVE.

Girls' English Club '28; *Girls' Basketball Team* '28; *Alpha Gamma Beta* '28.

"Nat" is a great sport, and we can easily see her as a charming graduate of Sargent.

S. FRANCES CURRAN
31 FOREST AVE.

Girls' English Club '28.

"Fran" is undisputedly a good patronizer of our lunch room, and "Angie" and "Mossie" will vouch for that as well as her wonderful disposition which makes her well liked.

ERNEST A. H. DALE
5 PARKER ST.

Spanish Club '27, '28.

Many a person has been lost in "Ernie's" golden waves but still he has a world full of friends and he always greets everyone with a smile.

LENA M. DAMIANO
169 FERRY ST.

Year Book Staff '28.

Small, attractive, studious, and ambitious is our "Crickett." It is quite a treat to see her carefully glide over the floor at class meetings.

MILDRED W. DAVIS
9 COURTLAND ST.

Household Management Club.

"Milly" has progressed greatly in the Domestic Science Course. From what we hear, she plans to be one of these few and far between misses, who is going to enjoy housekeeping.

JOSEPH DEMARIA
43 SCHOOL ST.

Tech Club '28.

"Joe" takes an unusual interest in collecting stamps of the different nations. He has been a busy paper boy for some time so he will continue his good work at B. U.

ALICE B. DEWITT
143 ELM ST.

English Club '28.

"Al" has a keen ear for music, so she will study at the Conservatory to be a second Martel some day. We hope you'll entertain us when you reach your destination, as we know you will.

ANTHONY DI BIASO
255 MAIN ST.

Junior Prom Committee '27; *Senior Dance Committee* '28; *Band and Orchestra* '26.

Although "Tony" is known to be quiet, we had better forewarn "Red" Nichols when "Tony" resumes his musical career as trumpeter.

ALFRED L. DIMATTIA
56 LIBERTY ST.

Boys' Glee Club '26, '27, '28.

"Al" is headed for South America where he should go big with his banjo. He was in the Glee Club, so he should produce a little harmony.

ANGELO J. DIMOTT
11 HATCH ST.

Baseball '24, '25, '26, *Captain* '27; *Football* '25, '26, '27, *Captain* '28; *Hockey* '27.

Who is that tearing down the field? Who made the touchdown? Why it's "Angie!" We think he must have been born with a football tucked under his arm. A second Coach Gildea is his aim.

CHARLES DI PERRI
37 HEATH ST.

Football '26; *Boys' Glee Club* '25, '26, '27; *Lyceum* '23, '24, '28; *Tappa Kegg* '28.

"Chick" probably got his vocation from the effects of his football playing. He plans to attend Tufts College next year. Can't you hear some one addressing him as Doctor?

MILDRED C. DIX
38 LIBERTY ST.

Girls' English Club '28.

There is not a sweeter, old-fashioned girl around than our "Millie." Next year you can keep in touch with her at Normal Art.

ELIZABETH V. DOHERTY
103 WINSLOW ST.

Spanish Club '26, '27.

"Pickles" is quite set on going to Spain. With her dancing, a shawl, and a rose in her hair, can't you visualize her as a charming Senorita?

DONALD R. DONATI
11 CEDAR ST.

"Don," one of our quiet chaps, is always on the job, but never makes hard work of anything. His future has not been decided as yet.

RUTH F. DOOLEY
5 ORIENT AVE.

"Ruthie" goes up to the third floor every recess. We have sufficient reason to believe there is an attraction up there. If there is, he's fortunate.

BENJAMIN DORFMAN
128 IRVING ST.

Class History

FRESHMAN YEAR

In the year nineteen hundred and twenty-four, many little boys with trousers to their knees and little girls in gingham dresses elbowed their way through the crowds of sophisticated upperclassmen to Rockwood Auditorium. After a very short time, it was announced that our class must be separated into two groups. Thereupon, three college and one commercial class of children meandered disconsolately down Broadway to the Junior High School.

The Freshman Class was first represented in the school by "Dan" Rideout and Myrtle Murray, who were chosen to serve on the Broadcast board and staff.

In our premier sport, football, "Skip" Savage and "Billy" Morse showed that even youngsters may have the necessary fight and vim to keep Everett at the top.

The beautiful piano which we see on the floor of the auditorium is due largely to the proceeds from the Clara Shear entertainment run by our class with "Dan" Rideout at the head.

We had only one lone freshman on the baseball squad, our "Bill" Noonan, who played invaluable baseball.

On the "bunion squad," otherwise known as the track team, we had "Ernie" Spicer, "Herb" Davis, and Henry McGrath, who earned many a point for their Alma Mater.

The Freshman year was darkened by the untimely death of M. Margaret Reehle. Mr. and Mrs. Reehle presented books to the school library in loving memory of their daughter.

Our freshman debating team, consisting of "Dave" Levovsky, Max Tobin, "Norm" von Rosenvinge, and "Bill" Whittemore, was unusually successful as it easily defeated the Sophomores, and then the Juniors, who had previously beaten the Seniors. Therefore, our boys were known as the banner debaters.

At the close of our happy year, we felt slightly acclimated and we looked forward eagerly to greater things to conquer.

SOPHOMORE YEAR

In September, nineteen hundred and twenty-five, we, now sophisticated Sophomores, cast our supercilious glances on the lowly Freshmen and easily made our way to our assigned rooms.

To begin with our numerous activities, "Skip" Savage and "Angie" DiMott upheld the honor of our class by earning the coveted "E" on the gridiron.

"Angie" DiMott made a second appearance by being chosen as our representative to the Executive Council.

In order that our class notes might appear in the school paper, "Dan" Rideout and Rene Mariani were selected to work on the Broadcast Staff.

In our premier oratorical event Mary Epstein and Arthur Michaels distinguished themselves and "Art," though but a Sophomore, won the First Prize for Boys in the Contest.

In the spring a young man's fancy lightly turns to baseball and "Angie" DiMott made himself famous on the baseball diamond.

Ernest Pastorello, Sidney Finkle, Rosario Giacobbe and Edmund Hart, as members of the Sophomore Debating Team defeated the Freshmen and were surpassed by the Juniors by a very small margin.

The bright light of our class was darkened again by the untimely death of Andrew Blaisdell.

"Ray" Tuck was our lone brother in the Lyceum play and showed remarkable ability.

There also were some from our group who showed their talents in the various clubs.

In order that our honest efforts might be recorded, Barbara Lamson was appointed Sophomore Editor to the 1926 Year Book.

It was the cooperation of every member of our class that made our class successful in this, our second year of study in high school.

JUNIOR YEAR

At the beginning of our third year we truly came into our own, when as a reward for successfully weathering two years of high school, we were considered upper classmen.

We chose as our guides the following: President, "Jimmie" Bleiler; Vice-President, "Art" Howe; Secretary, "Charlie" Rogers, and Treasurer, "Ross" Giacobbe.

On the football team we were proud of the following: "Angie" DiMott, "Skip" Savage, "Ooba" Dragone, "Al" Conn, "Fred" Welch, "Art" Howe, John Berry, and "Dan" Rideout, manager.

On the baseball diamond many from our throng showed remarkable skill. The letter men were Captain "Angie" DiMott, "Art" DeAngelo, "Ooba" Dragone, and "Bill" Noonan.

In track a great deal of credit should be given to Ernest Spicer, "Happy" Hatcher, Max Green and Gifford Chapman.

Myrtle Murray upheld the name of the Juniors by her brilliant playing on the Girls' Basketball Team.

There are also many orators among our group, of which the following earned the "DET": "Jimmy" Booth, "Ross" Giacobbe, "Dave" Levovsky, "Art" Michaels, "Ray" Tuck, and "Ernie" Pasterello.

Again Frank DiVenuti came to the front to help on the Good Cheer Committee.

Those who aided in the production of the Broadcast were: "Sam" Dorris, "Jimmy" Booth, "Dan" Rideout, Lawrence Kupferman, "Happy" O'Leary, Frank Di Venuti, and Barbara Lamson.

"Herby" McGuire and Ashley Bickford were chosen from our class to be members of our governing body, the Executive Council.

In order to supply our Christmas Committee with plenty of funds, we elected Barbara Lamson, "Angie" DiMott, and Max Green to plan our part in the Christmas Entertainment. John Berry was our star worker as the Junior representative in this work.

"Art" Howe, as our capable chairman, chose a hard-working committee for our Junior Prom, and made this event the best one of the year.

Those who upheld our honor as students are the following: Gladys Doughty, Fred Hoyle, Wesley Reed, Evelyn Lind, Mildred Lind, Ina Cockcroft, Rebecca Silverman, Gladys Lahay, Jacqueline Burke, Louise Planchet, Marguerite DiMattia, Rosario Giacobbe, and Madeline Manoogian.

Although the above mentioned pupils seemed to have played an important part throughout the year, it has been the individual support of each student that has made our class a banner one.

SENIOR YEAR

In the fall of nineteen hundred and twenty-seven, we, now dignified Seniors, entered for the last year our favorite institution of knowledge.

After a few weeks of consideration, we chose as our leaders, the following: President, "Art" Howe; Vice-President, "Dan" Rideout; Secretary, Helen Erb; Treasurer, Fred Welch; Vice-Treasurer, "Ross" Giacobbe.

On the School Council our representatives were "Jackie" Fisher and George Doyle, while "Ooba" Dragone and John Sullivan served on the Good Cheer Committee.

"Buddy" Graffam, "Kippy" Atwood, Fred Welch, "Art" Howe, Frank Crane, "Skip" Savage, "Bill" Harkins, Thornton Harper, "Happy" O'Leary, John Berry, Eivind Moss, "Ooba" Dragone, "Al" Conn, "Jimmie" Holmes and Vincent Brunke were members of the championship football team that scored 256 points to their opponents' 7.

"Bob" Churchill, "Dave" Levovsky and "Sid" Finkle most deservedly earned their "DET" in debating.

Barbara Lamson, Helen Erb, "Dan" Rideout and "Dave" Levovsky were members of the Picture Committee whose duty it was to present bids for the Class Photographer.

The Christmas Committee was under the leadership of our capable classmate, "Dick" Ahlin.

Those in charge of the School Discipline were "Art" Howe, Captain of the Traffic Squad with the Lieutenants "Dave" Robinson, "Al" Ensor, "Bill" Cooper, "Dan" Rideout and "Jimmy" Holmes.

One of the most successful Senior Dances both financially and socially was run by the following business-like committee: Chairman, "Art" Howe; Assistant-Chairman, Fred Welch; Business Manager, "Dan" Rideout; and the General Committee, Leo O'Leary, Helen Erb, Clarence McCarthy, "Dave" Robinson, Perry Foster, "Buddy" Graffam, "Tony" DiBiasco, Ruth Hudson, "Barbs" Lamson, Anne Cleary, Ivy Lonsdale, Helen Given, Louise Massi, Jane Emerson, Frank Crane, John Cameron, and "Dick" Ahlin.

An entertainment was put on to send our basket-ball team to Chicago to play in the National Tournament. The committee in charge was "Barbs" Lamson, "Charlie" DiPerri, Fred Welch, "Jimmy" Holmes and "Buddy" Graffam. Although our boys did not win the tournament, they made a fine showing against teams twice their size and were honored to go there, being chosen as the best team in Massachusetts.

The Seniors who went on the trip were "Kippy" Atwood, "Louie" Kurhan, "Buddy" Graffam, "Jackie" Fisher, "Happy" Hatcher and Fred Ells. "Ross" Tomasello also played with the first team.

The Senior members who helped produce our bi-weekly paper are Editor-in-Chief, "Dan" Rideout; Assistant Editors, Alton Whitford and John Mannion; Literary Editors, Francis Nevins, Helen Dunlea and Harry Neckes; Club Editor, "Dave" Levovsky; Sport Editor, Leo O'Leary; Tech Editor, "Jimmy" Holmes; News Editors, "Ray" Tuck, and Alma Locke; Senior Editors, Barbara Lamson and Harold O'Leary; Circulation Managers, "Bill" Cooper and "Bill" Whittemore; Staff Secretaries, Blanche Butts, Rebecca Silverman, Esther Balter and Ina Cockcroft.

The committee for the entertainment for the benefit of the Beacon Oil sufferers was "Charlie" DiPerri, Clarence McCarthy, Fred Welch.

Our Senior representatives were singularly successful in Prize-Speaking. "Art" Potter received First Prize for Boys and Audience Prize; "Barbs" Lamson earned the First Prize for Girls, while "Bob" Churchill showed remarkable ability and deserves a great deal of credit.

The principal characters in the Girl's Glee Club Show were "Teen" Warman, Helen Erb, Anne Cleary, "Dot" King, Florence LeGrow, "Barbs" Lamson, "Buddy" Graffam, "Roy" Nelson and John Berry.

Captain Waldo Dragone, "Buddy" Graffam, "Bill" Noonan, Louis Kurhan, "Kippy" Atwood, John Cameron, Frank Crane, John Maxim, "Jack" Fisher and Lewin Mosely were the members of the baseball squad.

The able actors who took part in the Class Play, "Cat O' Nine Tails," were Helen Erb, "Al" Conn, "Barbs" Lamson, "Art" Potter, "Ernie" Spicer, Mary Epstein, "Jimmy" Holmes, Ruth Hudson, Fred Welch, Nellie Manning and Elia Dragone with "Dan" Rideout as the Business Manager.

On the ice we were fortunate to have "Jack" Fisher, "Buddy" Graffam, Frank Crane, "Ooba" Dragone, and "Kippy" Atwood play for E. H. S.

A new sport which is being developed is Tennis. The team is composed of Captain "Art" Hopkinson, "Joe" Alpert, Perry Foster, Clyde Leman, Ralph Kimball and Jacob Glazer.

As we reluctantly look to the close of our high school career, we have but two bright spots before the inevitable hour, Class Day and Field Day. We may then enjoy ourselves for the last time with our high school friends. May we, one and all, prosper in the school of life.

Barbara Lamson,
David Robinson.

SOLILOQUIZED MEMORIES OF THE JUNIOR CLASS

Time: June of 1928.

Scene: Father Time before a fireplace.

The sun has gone down on the Junior year of the class of 1929, and Father Time has finished his school year. He has settled himself before the "great fireplace of memories" to dream of the things that have been accomplished during his short stay.

Father Time is soon dreaming happily of the merry class. He has watched them grow up through the years. He has seen each student develop. Some have become shining lights and others have helped to make those shining lights.

The summer months have gone by and it is soon time for the students to wend their way back to the Everett High School. They are about to step onto the third great rung of the "ladder of success." This new class of Juniors seem enthusiastic and ready for the hard work of the Junior year.

In early October the Juniors assembled and elected their class officers. Here Father Time faltered a bit. He could see those boys and girls, but he had to think of their names. Now let me see, there was the President, Matthew Ott; Vice-President, Frank Digby; Secretary, Hazel Parmenter; Treasurer Frank DiVenuti. Norman MacKenzie was elected to the Student Council.

What jolly times those Juniors did have, they surely kept their name as "Jolly Juniors." Who were the three boys that kept the "ball of excitement" rolling? They were Frank DiVenuti, "Jimmie" Bleiler, and "Al" Fuller.

The Seniors were very up and coming but the Juniors were their right-hand men. The Juniors helped to back up the sports and the greatest of these was football.

Six of the boys earned the coveted E. Frank Digby, Captain-Elect; Jerry Paglucia, Donald Dunnan, Matthew Ott, Clifton Loveless, and John Baldwin. Although most of these boys were on the second team, they helped the first team to bring home the victories.

What team was it that had the honor of going to the National Tournament in Chicago? Oh! It was the basketball team. The team that was only beaten once was under the leadership of "Jerry" Paglucia, their Captain, a member of the Junior Class.

The success the Juniors made in sports must have encouraged the coaches. They surely must see a bright Senior year ahead of them.

The school paper was better this year than the preceding years. Although the Editor did a great deal, he owes the Juniors on the staff credit. Those on the staff were Frank DiVenuti, Acting Editor the latter part of the year; Matthew Ott, Marie Hagman, Helen Olsen, Norma Perry, Abraham Ginsberg. Matthew Ott and Marie Hagman were appointed members of the Broadcast Board.

The Juniors were represented on the Year Book Staff by Glendyne Carpenter.

The Juniors seemed to be a studious class this year. We find that they were well represented on the Honor and Credit Lists. Many worked very hard to gain as many points as possible, toward graduation the coming year.

Although a student feels that only himself is gaining by the success he makes in his own work, he is really bringing up the standard of the class. When each student co-operates, a class is sure to profit and the individual will also gain.

While Father Time dreamed before his "fireplace of memories," his mind turned to the more serious part of the Junior's work. Our lives cannot always be filled with song and laughter. We must sometimes drink of the cup of sorrow. But we must remember that the darker the night, the brighter the dawn.

Every year the High School brings happiness to the unfortunate citizens of Everett. The Juniors helped to bring this happiness to these people.

During the year the Juniors were called upon to help the High School put over an entertainment, so as to give financial aid to the sufferers of the Beacon Oil catastrophe.

Each class worked hard trying to outdo one another's efforts to raise money. The Junior class felt quite proud when the final report was given, to hear that they had gone over the top.

The Junior and Freshmen entertainment proved to be a great success. We discovered among the Juniors many of unknown talent.

A talented singer, Mabel Howe, was discovered at an assembly, and was welcomed as a promising artist. We also still have with us Marie Hagman, the well-known pianist.

Frank DiVenuti and Jimmie Bleiler brought many a laugh from the students at our school entertainments.

Above the cheers of the students at the football games, the Everett High School Band could be heard. At our assemblies in Rockwood Auditorium, the orchestra furnished us with music.

There always should be clubs in a school to bring their messages "on wings of song." The Girls' Glee Club and Boys' Glee Club took their part here, and they seemed to be more harmonious than in previous years. Of course, this was due to the aid of the Juniors in the clubs.

The Juniors turned out in large numbers, this year, at the Junior and Senior class meetings. The best meeting of the year was the Poverty Party. Dorothy Monahan, a Junior, won the first prize for the girls.

The biggest event of the year was our Junior "Prom." We certainly deserved this one social event. The handsome lads and fair damsels, arrayed in their sedate "tux" and flimsy frocks, flocked in large numbers. Through the untiring efforts of Matthew Ott, chairman of the committee, and his faithful helpers, the "Prom" was a great success.

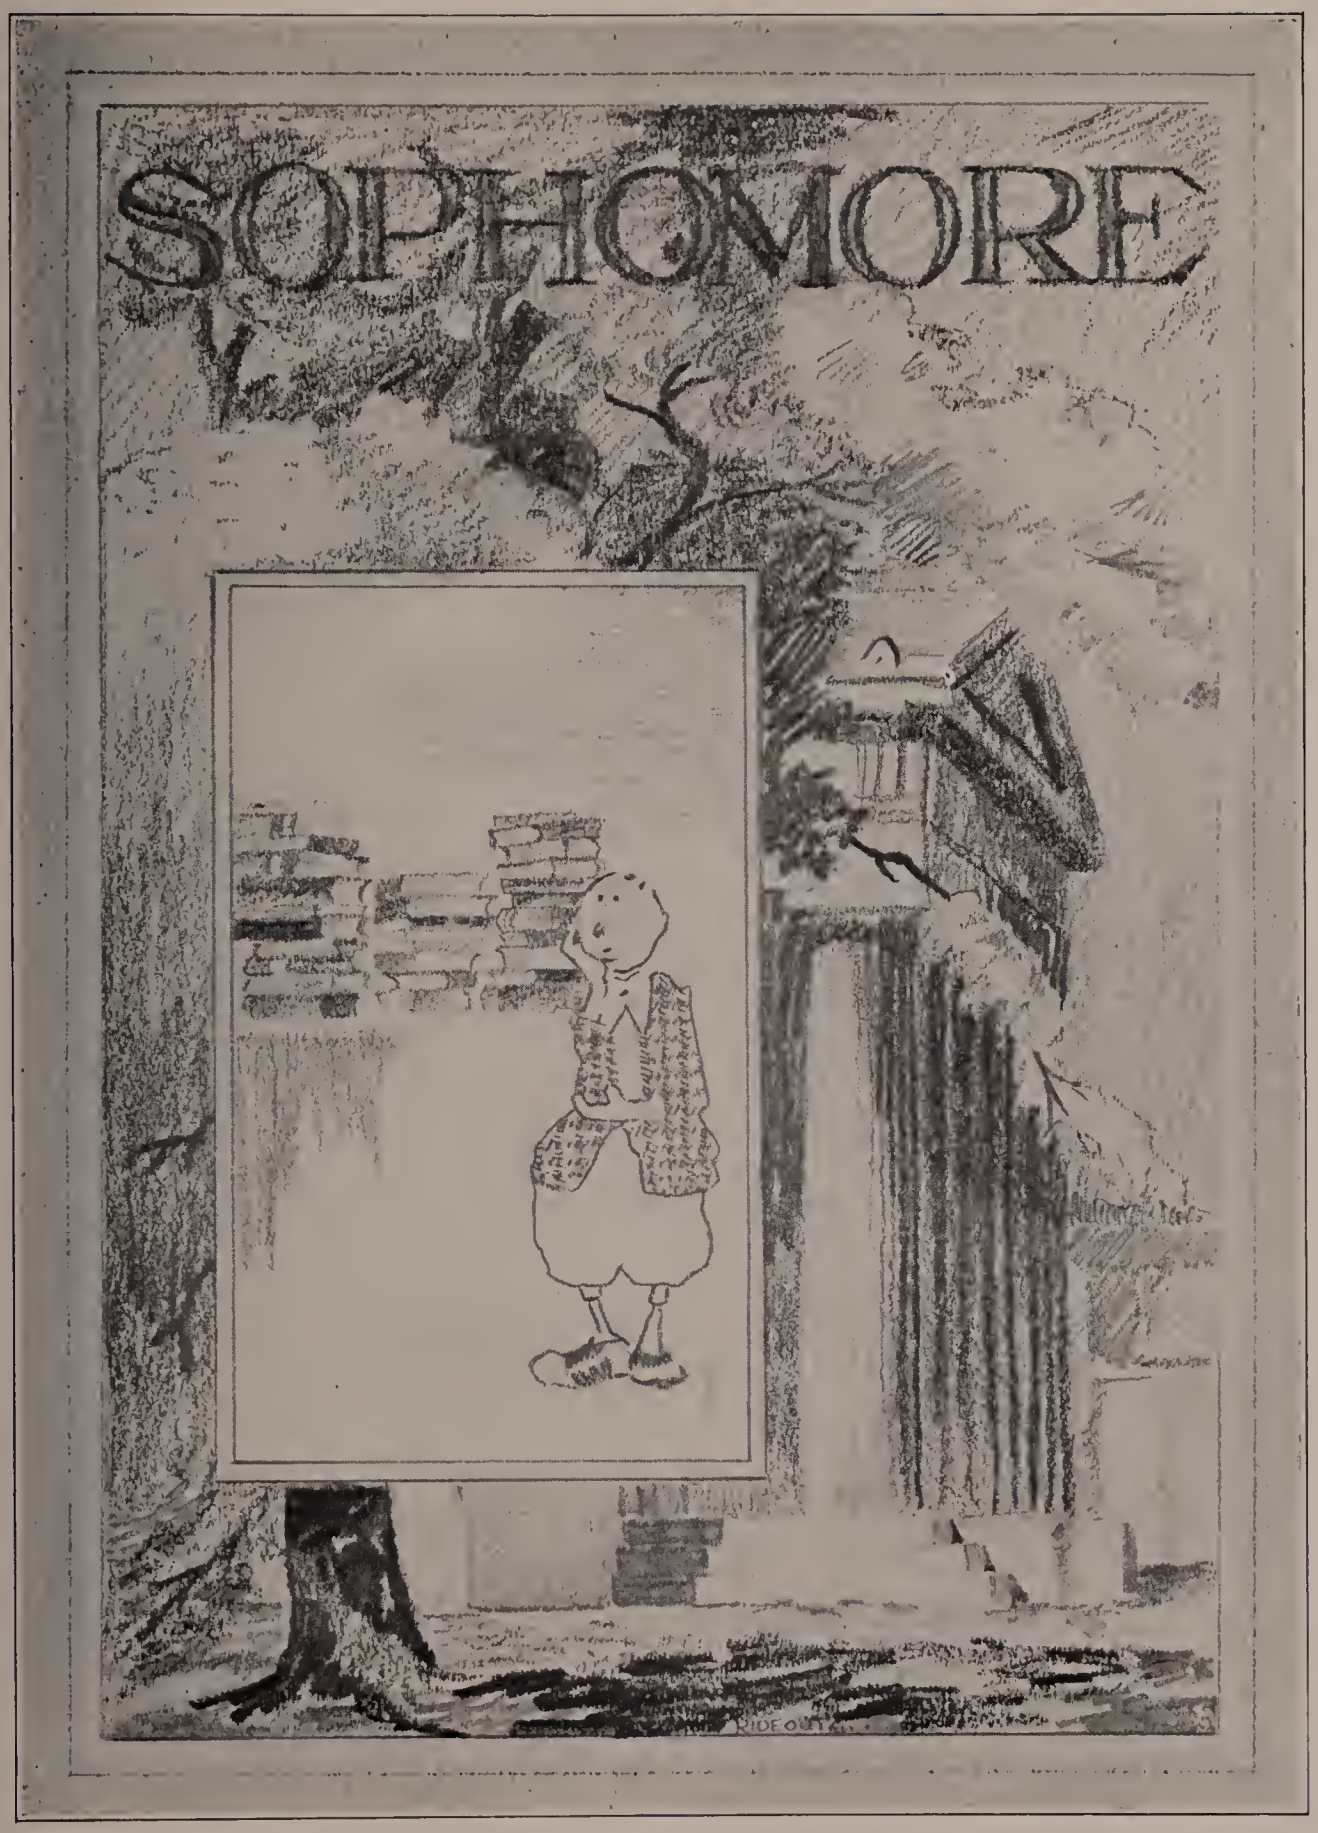
We have finished our third year on the stormy Sea of High School Education, and we are prepared for the finishing touches that will be applied in our Senior year.

Father Time has lifted his head dreamily, and he gazes into the "fireplace of memories," he feels sure that the Junior Class has completed a year of apparent success.

May happiness, health and success be yours in abundance and may the memories recorded ever recall life's golden days and sweet associations.

Just as the sun-dial marks only the sunny hours, so has this soliloquy recorded only the bright and happy times of a pleasant year.

GLENDYNE CARPENTER.



SOPHOMORE

THE CLASS OF 1930

In September 1927 the Class of 1930 set sail upon the good ship Sophomore.

James Kavanaugh took his place as our pilot when he was elected as our representative to the School Council.

We had among our noted passengers two "E" men in football, "Eddie" Helein and "Let" Borden.

Our official "joy spreader" was "Let" Borden, who was elected to the Christmas Committee as well as to the Good Cheer Committee.

We had in our midst some noteworthy basketball players, namely: Robert Charlton, James Kavanaugh, James Harrington, and Reginald Smith.

No ocean trip is complete without its songsters. We contributed Marjorie Brown, Aida Foglia, and Dorothy Jackson as assistant pianist, to the Girls' Glee Club.

The Lyceum had several Sophomores among its members who present a promising future for the organization—Ford Grant, Ralph Spear, James Kavanaugh, David Fitzgerald, Martin McDonough, John Fitzgerald, Walter Casey, George Jones, Joseph Liner, and Joseph Caroselli.

The Broadcast, our school paper, had the same two from our group on both its staff and board—James Kavanaugh and Frances Clapp.

In the midst of our voyage, word was brought to us concerning the disaster which affected our friends at home. We organized a relief crew immediately by electing Blanche Dunbar, Richard Reeves, James Kavanaugh, Lester Borden, who helped plan an entertainment the proceeds of which were to go to those affected by this Beacon Oil Disaster.

A ship and its crew must be inspected, so on Parents' Night our parents, relatives, and friends were cordially invited to watch us at work. James Kavanaugh welcomed our guests of the evening in his customary dignified manner.

Two of our girls, Martina Potter and Myrtle Dudly displayed their talents in dramatics when they assumed roles in "Never-the-Less," which was presented on Parents' Night.

We have not quite completed our journey but we can see the white sails of our Junior ship upon which we will embark in September, 1928.

FRANCES A. CLAPP.

FRESHMAN

HISTORY OF THE CLASS OF 1931

During the month of September in 1927 about 200 Freshmen entered the Everett Senior High School. Before them loomed four years of work before they would receive as a reward for their work, a diploma.

Early in October the Freshman Class elected Joseph Riccie as their representative on the School Council.

David Burns served on the Good Cheer Committee.

As Christmas approached, the work of the Christmas Committee was foremost in the minds of the students. James Griffin was elected to serve on this committee and he did a good job.

Arthur Dunlea, John Riley, and Isadore Huberman were members of the Lyceum. Isadore Huberman had a "feminine" role in "Officer 666."

In the Prize Speaking Contest, Isadore Huberman represented the Freshmen at the Senior High School.

The Freshmen came through with flying colors in the Beacon Oil Entertainment which was given for the benefit of the wives and children of those who died in the Beacon Oil disaster. In spite of the smallness of their class, they sold many tickets and made the other classes hustle. James Griffin had charge of tickets for the Freshmen.

The Freshmen were pleased to see the name of Alice Morris on the Honor Roll. She was also on the Year Book Staff.

The ones mentioned above were foremost in the Freshman Class, but it has been the work of every single student that has made this year a most successful one.

SCHOOL COUNCIL

For seven years the School Council has been functioning in the Everett Senior High School. Each year it has improved so that our Council this year is better and broader than it has ever been before.

We have had comparatively few cases of offenders this year, but when cases did come before us we tried to give the student the mental stimulus that seemed to be lacking. The cases have had satisfactory endings with good feeling on the part of both the student and the Council.

On February 22, 1928, the Convention of School Councils was held in Lowell, Massachusetts. Eleven members were sent from the High School. One of our members was elected president of next year's convention.

The Council is in favor of giving awards to promote scholarship, leadership, and school spirit among the pupils of the school. For the first time in the history of our Council, awards are to be given from the Council to the most deserving students.

THE BROADCAST BOARD

Many students are puzzled as to what the Broadcast Board is and what it does.

Some think it is the same as the staff, but such is not the case.

Members of the board are elected by their respective classes and serve until they are graduated.

The board has the governing power concerning the management of the Broadcast which includes the election of the editor-in-chief of the staff.

All the other positions are filled by those who showed continued interest and the ability to serve.

The board this year was unanimous in their selection of Daniel Rideout as editor of the Broadcast.

THE BROADCAST STAFF

The Broadcast wishes to take this opportunity to show its appreciation for the loyal support given by the faculty and the entire student body the past year.

The staff have worked faithfully but could not have obtained the results they did if it were not for the wholehearted co-operation of the school.

Daniel Rideout, who was serving his fourth year on the staff, was unanimously chosen editor-in-chief, and he has piloted the Broadcast through its most successful year with the entire staff behind him as a unit.

Mr. Bryant, for many years associated with the high school paper, has managed the Broadcast as only he can with his knowledge of the business end of our clarion. The graduating members of the staff extend their most cordial wishes for a successful year and the continued back of the school.

E. H. S. BAND

The band this year has been better than ever before, strengthened by new material including a stronger trombone section. We have held our own with other schoolboy bands all over the state principally, Malden, Brockton, Newton, Medford, Salem, and other bands that accompanied their teams to the football contests.

We had the honor once again of attending the Brockton Fair and succeeded in holding the handsome cup which was won in 1925 for excellency in music and marching.

Our director, Mr. Crowley, has given much of his time to produce for Everett a band of which they can be proud, and he has not failed in his efforts.

Gifford Chapman for two years has led the band when on parade, and judging from the many compliments received of the band when away from home, he has done his work well.

When the U. S. Marine Band performed here in Rockwood Auditorium the Malden High School Band were our guests which increased the good-will between the two schools.

The graduating members desire to express their best wishes for a successful season the coming year.

E. H. S. ORCHESTRA

The Orchestra this year is one of the best the school has ever known.

It has furnished the entertainment for such occasions as The Girls' Glee Club Show, Teachers' Club Play, The Prize Speaking Contest, and a number of the Monday Morning Assemblies. We have appeared at the Capitol Theatre to display our fine brand of music to the people of Everett.

The organization will lose a number of its members in June. The following will be a part of the graduating class: Gifford Chapman, Allan Ramsay, Louis Peterson, Cortland Goodwin, Harry Lacy and many other bright and shining lights.

We have had many good times and will surely regret the day when we take our cap and gown to depart into the world with the other great musicians.

THE GOOD CHEER COMMITTEE

The Good Cheer Committee is completing its third year of service.

Organized in the fall of 1925, the object, as the name signifies, is to bring good cheer to schoolmates, who, because of personal illness or illness in the family, are obliged to remain away from school.

During the past year, many greetings have been sent to shut-in's, and many grateful acknowledgments have been received.

The funds for carrying on the work are contributed as needed, each home room president collecting for his room.

The committee, with two Seniors, one Junior, one Sophomore and one Freshman representative, chosen at the beginning of each school year, meets weekly with the faculty advisor, Miss Desmond in Room 109.

The following were chosen to serve for 1927-1928:

Waldo Dragone and John Sullivan ..... *Senior Representatives*
Willard Davis ..... *Junior Representative*
Lester Borden ..... *Sophomore Representative*
David Burns ..... *Freshman Representative*

THE EVERETT HIGH SCHOOL LYCEUM

The club, which is the oldest and best known in the school, was founded on February 28, 1894, by our principal, Mr. Rockwood.

The purpose of the Lyceum is to promote interest in public speaking and debating, foster school pride in forensic ability, and promote good fellowship.

The officers for the past year were:

Michael C. O'Neill	*Speaker*
David Levovsky '28	*President*
James Booth '28	*Clerk*
Frank A. DiVenuti '28	*Treasurer*
John Cameron '28	*Vice-Clerk*
John McCallum '27	*Vice-Treasurer*
Herbert Maguire '28	*Publicity Manager*

The sixth annual play of the Lyceum was presented in Rockwood Auditorium on Friday evening, November 18, 1927. The play was a melodramatic farce in three acts, "Officer 666."

In the middle of the year Dwight S. Davis resigned as Speaker. Michael C. O'Neill, Submaster, was unanimously elected to be Debating Coach and Speaker of the Club. Mr. O'Neill was Speaker for seven years before, during which time the varsity debating teams held a clean slate of victories. Mr. O'Neill coached the team that went to Laconia.

During the year, Walton S. Hall of the Faculty, who was assigned to the Lyceum by Mr. Rockwood, assisted during its activities whenever possible.

The Service Bureau, which organized Junior Lyceums in the two Parlin Schools and Horace Mann School, did notable work. It also assisted many rooms in the school by coaching and judging interroom debates.

The first two record books, over thirty years old, were rebound and placed in the school library.

During the meetings this year mock trials, extemporaneous speaking, short debates and oratorical recitations were conducted.

DEBATING

Varsity Debating

The first inter-scholastic debate was held on January 27 against the Brockton High School debating team in Rockwood Auditorium. Everett upheld the affirmative of the question. "Resolved, that the only method for securing world peace is by total international disarmament."

The local team consisted of Lester LeGrow, John McCallum and Leonard Bloom. The decision was 2 to 1 in favor of Brockton. The three-man rebuttal was used in this debate.

The second and last inter-scholastic debate of the year was held against the Laconia, New Hampshire, debating team on April 5 at Laconia High School.

The local team consisted of Sidney Finkle, Robert Churchill and David Levovsky.

The question for debate was "Resolved, that the Philippine Islands should be granted their immediate independence," with Everett upholding the affirmative.

The local debaters were defeated by those of Laconia. The Laconia team this year holds the New Hampshire State debating championship. Ten-minute main speeches and five-minute rebuttals were delivered by each speaker. The debate was the best contest and most largely attended at Laconia for this year.

Inter-Class Debating

The Freshmen were unable to debate because there were not enough members to make a team, therefore, the Juniors and Sophomores debated, and the winning Junior team decided class honors against the Senior debaters.

The subject of the Junior-Sophomore debate was "Resolved, that capital punishment should be abolished in the United States."

The Junior team consisting of David Abrams, William Cannon and Lester LeGrow, upholding the affirmative, won a 3 to 0 verdict over the Sophomores.

The Sophomore debaters were James Cavanaugh, Joseph Caroselli and Edward Morris.

The Senior debaters are George Doyle, Arthur Hopkinson and David Levovsky.

The subject for debate will be, "Resolved, that Everett should adopt the city manager form of government," with the Juniors upholding the affirmative.

THE GIRLS' GLEE CLUB

The Girls' Glee Club, directed by Miss Myra Marshall, is one of the most popular clubs of the school. It consists of thirty active members, with Helen Erb as manager, and Katherine Hill as assistant manager.

Throughout the year, the club has afforded entertainment for both the school and social affairs.

A St. Patrick's tea party was given to the mothers of the club girls on March 15 in the suite of rooms at the school.

The Annual Reunion of the Girls' Glee Club was held in the gym in May. With the active members, a great many alumnae attended, both from Everett and surrounding cities.

As it is the custom of the organization to donate some gift to the school, the club gave two hundred dollars toward the scholarship fund, and a smaller sum of money to the Household Arts Department to buy dishes.

To bring the year to an appropriate finish, a dinner bridge and theatre party was held on April 30.

THE FIRE PRINCE

As their annual musical production, the club presented "The Fire Prince," a very charming operetta. With Miss Marshall as directress, the operetta was considered a remarkable success.

The cast consisted of:

Groguio, King of Pantouflia	John Berry
Prigio, his eldest son, the Fire Prince	Roy Nelson
Alphonso, Prigio's Brothers	Anne Cleary

BOYS' GLEE CLUB

The Boys' Glee Club, under the able supervision of Mr. Colburn, adds another productive year to its record.

The Glee Club made its first appearance at the debate between Everett and Brockton. The boys entertained while the rebuttal was being prepared.

They also contributed their services at another oratorical contest, this time in the form of the Prize Speaking Contest. Next came the Freshman-Sophomore Parents' Night and the Christmas Fund Entertainment.

The Club closes the year 1928 well satisfied. We look forward to an even better year in 1929 and are always willing to lend our services at any time.

TECH CLUB

The Tech Club is an organization composed of the boys of the Technical Department. This club is for the purpose of sponsoring a feeling of good-will among the students of the department, as well as to discuss subjects of technical interest, such as Mechanical Inventions, Science, and anything that will appeal to boys inclined to take an interest in subjects of this kind.

This year's Club has been very successful. It has been under the direction of Mr. McAlpine, Mr. Snow, President James Holmes, Vice-President John Sullivan, Secretary Willard Davis and Treasurer Irving Brown.

To Mr. McAlpine, we, the members, are indebted for his unremitting efforts in securing speakers, motion pictures, and other forms of entertainment for the club members and pupils. Many of the club members also gave talks during the year. These talks were on different subjects, all of which were of interest to the other club members.

We have had as speakers during the past meetings, a number of faculty members. We have had interesting talks by Mr. Seaverns on Amateur Radio Operators, by Mr. Cantalupi and Mr. Snow on their experiences while in the Army, and by Mr. Wendelstein on Science.

In addition to these many interesting talks, the Club as well as the students of the school have enjoyed the motion pictures shown in Rockwood Auditorium under the auspices of the Club.

The Club owes to Mr. Wendelstein a vote of thanks for his time given in the operation of the motion picture machine and to Roy Nelson and Charlotte Fowler for their willingness in playing the piano during the showing of these pictures.

THE GIRLS' ENGLISH CLUB 1928

On Wednesdays, the seventh period, twenty-one girls have been meeting in Room 207. These are the girls for the G. E. C. of '28. Although we began rather later than is usual, this year, we have been making up for lost time ever since and hope to come out more than even.

Our officers are:

Alice Mann	*President*
Esther Chace	*Vice-President*
Mildred Dix	*Secretary*
Gladys Doughty	*Treasurer*
Miss Brown	*Advisor*

Everyone serves or has served on some committee, so no one is without her part in the work of the Club.

Our weekly meetings have been taken up in our regular business followed by talks on different periods of American Literature. Once every four weeks we have had some form of entertainment. I think none of us will very readily forget the afternoon we had "stunts."

One evening each month we have planned to go on some good time together, and what good times they have been.

Mention must also be made of the English Club Tea which is an annual event and although at the time of this writing, it is still in the future, it deserves a place in these notes. It is the event to which we invite the Junior girls who are to be our successors and thus it serves as a link between the G. E. C. of '28 and the G. E. C. of '29.

We feel rather incomplete in the picture above because, somehow, Miss Brown and Ruth escaped capture by the camera, but, as they can see, they have not escaped my pen.

THE PHILOMATHS

The Philomaths was organized in 1912. It is made up of Senior boys, who, under the careful direction of Miss Wallace, President Ex-Officio, are interested in obtaining a further knowledge of mathematics in an entertaining manner.

The present club consists of sixteen ambitious, dignified Seniors.

The following officers were elected:

Willard Whittemore	*President*
Frederick Hoyle	*Vice-President*
Aleck Smith	*Clerk*
Donald Ingalls	*Treasurer*
John Maxim	*Librarian*

The programs of the club, arranged by the officers, are divided into three kinds:

Speakers meetings, club discussions, and entertainments.

"The Slide Rule," given by Mr. Edward Bryant, a talk on "Comic Sections" by Mr. Foote, and "A Talk on Chess" by Mr. Hall were the three of the most interesting talks given the first part of the year and we hope to secure the services of Mr. Dwight Davis and a few others in the near future.

We are greatly indebted to our Chess Instructor, Mr. Hall, who has spent much time in teaching us the game.

We are leaving to our friends, the Juniors, the future of "The Philomaths" and bestow upon them our best wishes for its future success.

Clerk, 1928.

SPANISH CLUB

The Spanish Club was reorganized, under the direction of Mrs. Brewer, in November, 1927.

The delay seemed to have no bad effect on the Club, for thirty responded to the first call. The membership increased during the next few weeks until forty-two became the average attendance.

The officers elected for the year were:

Francis Crane ..... *President*
Salvatore Giacobbe ..... *Vice-President*
Hilda Barton ..... *Secretary*
Fred Welch ..... *Treasurer*

A number of interesting meetings have been held with instructive and fun-giving programs.

A Spanish Playlet entitled "A Trabajar" was given by the members. Salvatore Giacobbe with the assistance of Mrs. Brewer directed this.

The members of the Spanish Club wish to pay tribute to Mrs. Brewer, our faculty advisor. We Senior members bid her a fond farewell and say that we shall take happy memories of our associations with her away with us.

To the Juniors and those who follow we say, "Keep the Spirit of the Spanish Club ever permeating the walls of E. H. S."

THE SIGMA ALPHA CLUB

The Sigma Alpha was organized in 1923, consisting of the presidents and vice-presidents of Mr. Thayer's algebra classes, who were elected by the students of their particular divisions. Since this time we have extended membership to the classes of Mr. Collins. It is one of the few clubs in the high school that has representatives from each of the four classes. The club is very lively, often holding outside meetings and socials. Each year they give a competitive examination to the algebra divisions, and a prize for the highest honors is given to the winner.

The officers of the club are:

Edward Helein ..... *President*
Henry McGrath '29 ..... *Vice-President*
John Redmond '30 ..... *Secretary and Treasurer*

DRAMATIC CLUB

For the second year, under the direction of Miss Hurley, the Dramatic Club started forth to accomplish something, not particularly in putting on plays but to learn something of the ways of real acting.

At the second business meeting the following officers were elected:

Helen Dunlea ..... *President*
Nellie Manning ..... *Vice-President*
Marjorie Reblin ..... *Secretary*
Margaret Landry ..... *Assistant Secretary*
Agnes Guerin ..... *Treasurer*
Mary Epstein ..... *Publicity Agent*

There have been many profitable meetings at which worth while plays have been read, girls have acted, and Miss Hurley has instructed us by acting herself.

Every girl feels that it has been a period well spent and she has learned many things about dramatics which have been both instructive and interesting.

Clerke, Nichols, Whittier, Hathaway
Misses Manoogian, Cohen, Larsen, Stockard

THE ART CLUB

Under the leadership of Miss Guptill and Miss Wenz, the Art Club is enjoying its third year of success and achievement. In a short space of time we have accomplished a great deal. As future artists, we have posed and sketched each other from real life, we have painted posters for advertising purposes, and we have tried our hand at landscape drawing and painting. We also have in mind other lines of art which we intend to take up before the year is over.

Besides this indoor studio work, we have made visits to places in and about Boston, which are of interest especially to art students; such as, the Museum of Fine Arts, the Natural History Museum, and Mrs. Gardner's Venetian Palace. We enjoyed ourselves very much making "artful" criticisms of what we saw. Other trips of this sort have been planned for.

The officers for the year are:

Gordon Clerke ..... *President*
Belle Larsen ..... *Vice-President*
Sumner Whittier ..... *Secretary*
Lloyd Hathaway ..... *Treasurer*

HOME ECONOMICS CLUB

The Home Economics Club was organized under the direction of Mrs. Woodworth. The officers elected for the year were: President Ruth Hanson, Vice-President Ella Palmer, Treasurer Muriel Burrows, Secretary Ida DeVivo.

When the Club was first organized they adopted a family consisting of two boys ages twelve and eight, a girl three. They helped the mother and father to supply them with food, fuel, and clothing. The members of this club are always keeping watch for those they can help to feed or educate.

At one of the class meetings a short while ago, a welfare worker visited us, and told of the work they do over at the Baptist Bethel, Boston. They take little children who have not learned to speak our English Language and teach them by illustrations. The Home Economics have been gathering illustrations for these little tots.

The girls are not going to stop here, but they will keep on with their good work. Next year when they come back to school they hope to re-organize under the direction of Mrs. Woodworth. They could never have succeeded without her wonderful help. The girls appreciate this help and wish to thank Mrs. Woodworth from the very bottom of their hearts.

HONOR ROLL STUDENTS

This year seven students will receive medals at graduation for their scholastic attainments. In order to receive these medals, it is necessary to have an average of 90% or better for four years. The persons receiving the medals are:

Madeline Manoogian, Rosario F. Giacobbe, Alice Mann, Frederick Hoyle, Rebecca Silverman, Mildred Lind, and Evelyn Lind. This is the greatest number that has received medals for ten years. The Senior Class heartily congratulates these seven for their excellent work and pertinacious efforts.

Fred Welch, Albert Ensor, Max Green, William Cooper
Daniel Rideout, Arthur Howe, Mr. Thayer, David Robinson, James Holmes

THE LIEUTENANTS

The lieutenants of the traffic squad were: James Holmes, basement floor; David Robinson, first floor; William Cooper, second floor, and Albert Ensor, third floor.

James Holmes did a very good job in supervising the traffic on the basement floor. It is one of the busiest floors in the building, but this did not worry the ever present, always leading, "Jimmie."

David Robinson had an especially hard duty on the first floor, for several reasons; the most important rooms in the building are on this floor and then it is a floor of many Senior rooms, which is reason in itself, for worry. "Dave" handled the situation beautifully and deserves credit.

William Cooper had a job that required an able-bodied man and he was the one to do it. "Bill" put his mind right to the task and the result was a very smooth moving floor, in regard to traffic.

Albert Ensor had his "hands full" on the third floor with four corridors and about four hundred lower classmen. "Al" is a very good leader and controlled his floor very well.

The lieutenants on outside and door duty were: Max Green and Daniel Rideout. Max and "Dan" fitted their jobs wonderfully. Max is an "outdoor" man and knows how to handle "outdoor" people. "Dan" had the "register" part of it, taking names of all visitors and strangers entering the building.

FRED WELCH.

FOOTBALL

The Everett High School team of this year was regarded as the greatest since the time of the greatest one coached by Cleo O Donnell back in the days of 1913. Coach Gildea's "green" team of a year before mowed down all opposition with ease and for a season's work turned in an undefeated schedule with 289 points scored and 7 points scored against.

Owing to an ineligibility found after some of the games had been played the team failed to receive the league cup. Newton, who should have won the cup after Everett's loss, was also unable to take the award because of the same circumstances and as a result Cambridge High and Latin was awarded the trophy.

The regular contest with Malden was not played this year owing to a difficulty that arose among the directors of the two teams. Malden refused to play on the Everett field, stating that the grounds were not suitable.

A precedent was established by the coach when he had the boys trot on the field for the Medford game clad in scarlet uniforms.

Frank Digby, star guard for two seasons, was chosen by the letter men to captain the eleven next year. Frank is the only player who will be returning to the fold next year.

The team's record is as follows:

Everett	21	— Worcester High of Commerce	0
"	44	— Deering High of Portland	0
"	35	— Chelsea	0
"	25	— Rindge	0
"	13	— Newton	0
"	33	— Brookline	0
"	14	— Medford	0
"	13	— Somerville	7
"	59	— Boston High of Commerce	0
"	7	— Salem	0
"	25	— Cambridge Latin	0
Total	289		7

Those receiving all-scholastic selections were:
Fisher—Traveler, Advertiser, American, Globe, Post, Herald, Transcript, and Tribune.
Dragone—Traveler, Advertiser, American, Mercury, and Tribune.
Atwood—Traveler, Advertiser, American, Post, and Tribune.
Crane—Transcript, Post, Herald, and Tribune.

Bleiler, Digby, Coach Gildea, Ott, Fisher,
Atwood, Graffam, Dragone, Crane, Ward

HOCKEY

For the first time in many years, Everett High was represented by a hockey team this past winter. Coach "Denny" Gildea was given charge of the coaching end, and several real puck-chasers were developed under his guidance. For a season's work, the boys turned in one win and six defeats.

Waltham High was the team defeated by the six; they were beaten at Waltham, 4-0. The sextets beating the locals were: Stoneham, Newton, Rindge, Arlington, Melrose, and Cambridge Latin.

Although the team lost all league games, they were feared. They lost a terrific battle to the league winners—Newton. In every game they displayed a fine brand of hockey, and had it not been for several handicaps, which they were forced to confront, during the season, they would undoubtedly have turned in a better slate.

Their record:

Everett	4 — Waltham	0
Stoneham	9 — Everett	3
Newton	3 — Everett	0
Rindge	2 — Everett	1
Arlington	1 — Everett	0
Melrose	5 — Everett	0
Cambridge Latin	3 — Everett	1

The letter men were: Fisher, Atwood, Graffam, Bleiler, Ward, Ott, Dragone and Crane.

Butler, Ells, Charlton, Kelley, Hatcher, Tomasello, Coach Davis
Fisher, Atwood, Pagluccia, Graffam, Kurhan

BASKETBALL

The basketball season was the most successful in the history of the school. The team won 18 games out of 19 starts and was hailed as one of the finest hoop teams in the high school ranks.

Following the completion of their 19-game schedule, they were invited to attend the National Tournament at Chicago, Ill. Nine members of the team made the trip and all had a wonderful time. Although they were defeated at the tourney, they were praised for their fine showing while there.

The letter men this season were: Captain "Jerry" Pagluccia, Captain-Elect Robert Charlton, "Jack" Fisher, Clifford Atwood, Clarence Hatcher, Louis Kurhan, Ralph Kelley, Rosario Tomasello, Fred Ells, and Charles Graffam.

The team defeated the Alumni, Wakefield High twice, Lynn Classical twice, Revere twice, Weymouth twice, Newton twice, Chelsea twice, Medford twice, Salem twice, Malden once, and were defeated by Cambridge Latin School.

Cavanaugh, Obrey, Merriman, Coach Davis, Abrams, Colby, Smith
Harrington, Segal, Harkins, Bleiler, Yavarow

BASKETBALL — SECOND TEAM

The second team basketball squad had a rather successful season for this year. During the halves, while the first team was recuperating, the second team would attempt to show its superiority over the opposing second team. More often than not, they were victorious.

The players who displayed some snappy basketball were: James Bleiler, William Harkins, and Lewis Segal.

Others who played are: Joseph Yavarow, Ralph Merriman, James Harrington, Daniel Colby, James Cavanaugh, Reginald Smith, and Francis Obrey.

Some of these lads are expected to step into the shoes vacated by Fisher, Graffam, Atwood, and Kurhan.

Misses Carney, Canderossi, Harris, Opderbecke, Kelley, Green
Cross, Smithell, Salvi, Lee, Reblin

GIRLS' BASKETBALL

Basketball for the girls was organized this year for the purpose of giving every girl in School an opportunity to become thoroughly familiar with the game.

With only two veteran players from the 1927 team the material this year was practically new. Great interest was shown and a large number turned out to learn how to play. Five defeats and one win were the records made by the team. The season proved to be an enjoyable one despite the many losses and the girls are looking forward to a more prosperous season next year.

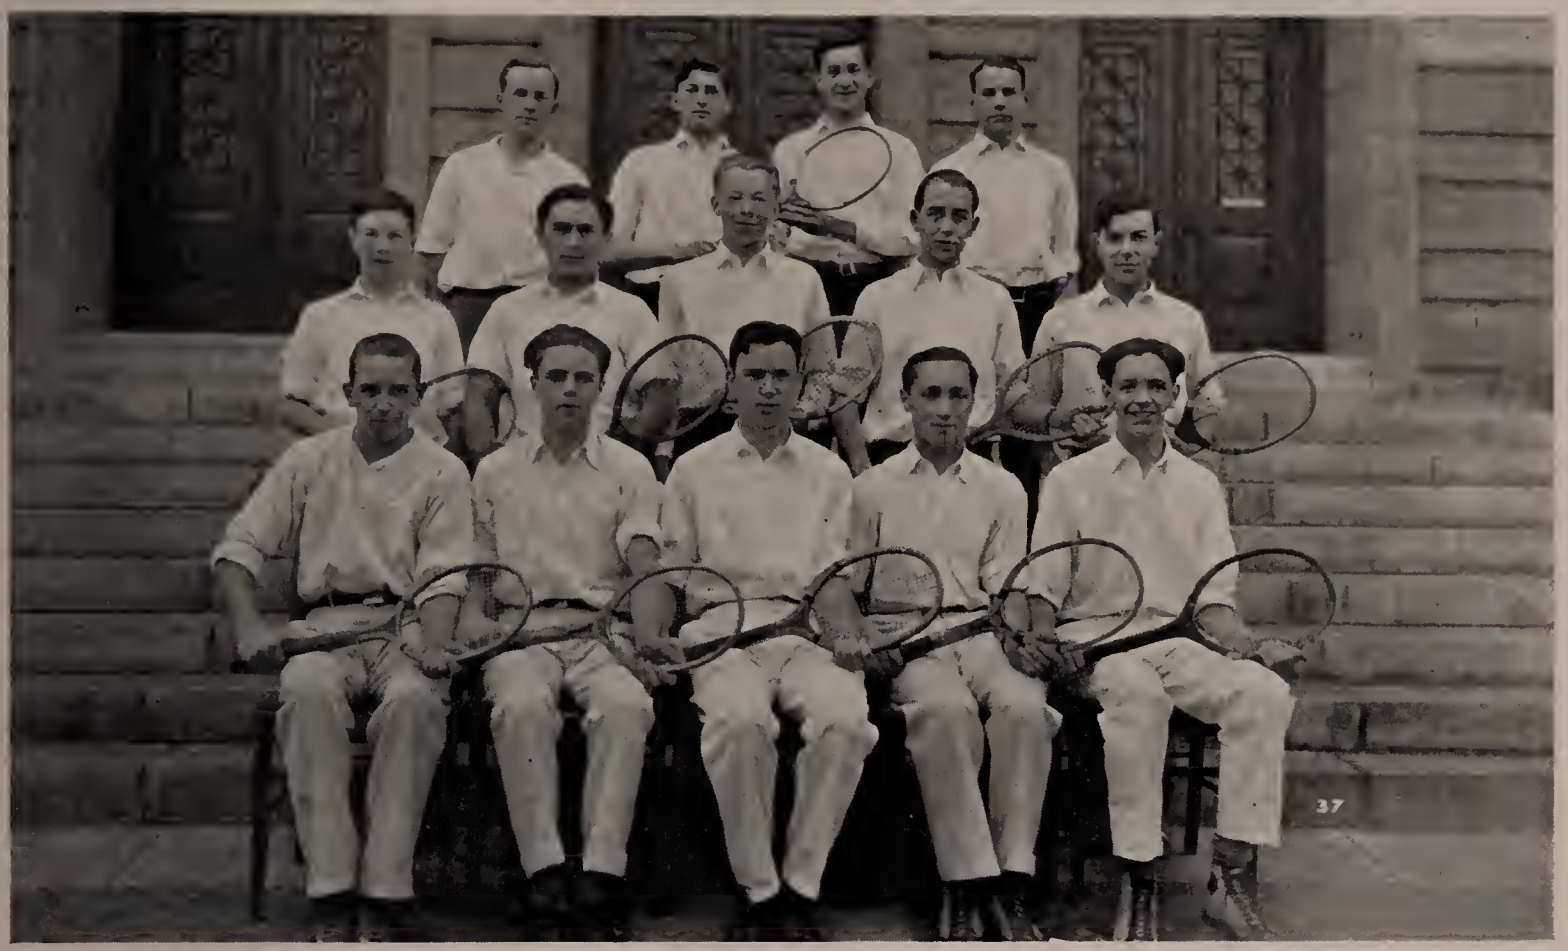
The games were played with Somerville, Stoneham, Junior High School, Chelsea, Malden, and Marblehead High Schools. The girls participating in the games with outside Schools were: Alba Salvi (Captain), Natalie Cross, Aerie Opderbecke, Alma Locke, Doris Lee, Florence Kelly, Janet Harris, Annie Smithell, Carmella Canderossi, and Dorothy Carney.

TRACK TEAM

Although they did not participate in many track meets, the track boys did some fine work this season. They were handicapped considerably because of lack of proper equipment with which to work, but nevertheless they made a fine showing.

Three representatives, including Captain Ernest Spicer, "Bud" Paulding, and Clarence Hatcher, went to the annual Boston University meet and did very well. They received honorable mention there.

Track meets with Rindge Technical School and Malden High School have been arranged.



Leman, Fuller, Cameron, Ott,
Kimball, Glazer, Wilson, Foster. Bloom
Cavanaugh, Phillips, Hopkinson, Alpert, Jee

TENNIS TEAM

The Tennis Team, coached by Mr. Clarence Thayer and captained by Arthur Hopkinson, got away to a fine start and in all probability will end up the same way.

This is the first year that Everett has been represented by a Tennis Team.

The schedule follows:

May 7 — Somerville at Everett
" 10 — Everett at Newton
" 14 — Everett at Malden
" 17 — Boston English at Everett

HOUSEHOLD MANAGEMENT CLUB

The Household Management Club was organized in October, 1927, by a group of Senior and Junior girls, who were interested in working out problems relating to their homes and their work.

The activities of the Club have consisted of visiting places of interest throughout Boston, making attractive additions to the suite of rooms in the school, and entertaining unfortunate children, to whom we gave parties, one a Christmas party at which we gave the children wearing apparel, a Valentine's party, when they were given Valentines. At all the parties the children played games and were served refreshments.

The officers of the Club were:

Dorothy Hoaglund	*President*
Florence Snow	*Vice-President*
Paulene Van Amburg	*Secretary*
Louise Masi	*Treasurer*
Ruth Nickerson	*Assistant Secretary*
Miss Gertrude Bjornwall	*Faculty Advisor*

Pearson, Phillips, Turner, Somnelson
Yaffee, Rogeau, McKeague, Kruger, Burton

INTER-ROOM BASKETBALL

The tourney between the home rooms of the Everett High School was won by the "Flashy Five" of Room 208. This tourney is known as the Inter-Room Basketball League. The purpose of the tourney is to interest as many boys as possible in basketball and to unearth some material for the varsity basketball team. The winning team received a banner as a trophy.

This year the "Flashy Five," captained by Herbert McKeague, won the banner after having defeated the teams in the elimination series. The league ended in a tie between Room 208 and Room 107. In a play-off game, Room 208 won, 29-25.

McKeague, Burton and Kruger starred by their flashy playing and good teamwork. Teamwork brought the team its victories. They won eight games and lost one, an enviable record.

The team: Herbert McKeague, Captain; Jackson Rogeau, Richard Burton, Winslow Krueger, Charles Gordon, Gordon Pearson, Richard Somnelson, Edward Lewis, Louis Yaffee, Ralph Phillips, and Jack Turner.

Doctor McTavish had worked hard to put his boy, Sandy, through medical school. When Sandy graduated and returned home the old doctor turned his practice over to the boy and took a well-earned vacation. Upon his return Sandy said: "Father, I have made some marvelous cures. I even cured Mrs. MacGregor's stomach trouble after you had treated her for four years!"

"What!" exclaimed the old doctor, "I'll have you know that Mrs. MacGregor's stomach put you through college!"

To The Class of 1928

BEFORE the summer is over most of you, no doubt, will have decided upon your future vocations. Some will continue with studies in other schools, while a great many will take up business in a serious way. No matter where you go, or what you do, should any of you, at any time, have any Printing Problems, I will feel honored if you will call on me to help you solve them.

Please accept my congratulations on your publishing ability, as I consider this one of the best edited high school year books I have ever had the pleasure of printing.

The success of the business conducted by the E. H. S. Memories Business Manager is largely due to the splendid work and co-operation of the advertising and circulation agents.

Credit is due to the following students who solicited advertising. The names as follows are listed in order of volume of advertising obtained: Clara Silberg, David Robinson, William Cooper, Daniel Rideout, Mr. W. S. Hall, Pauline Van Amburg, Stephanie Kudrick, Willard Whittemore, Donald Charlton and Charles Johnson.

The subscription campaign was efficiently conducted by circulation agents in every Senior home room and representatives in the under classes. The circulation agents' consistent work is acknowledged.

The advertisers in this Year Book are enterprising merchants in their respective fields. Their support is worthy of "one good turn deserves another." We sincerely desire that our readers will patronize the advertisers who patronized us.

A worthwhile commercial and business experience is respectfully submitted.
